Dear Sir:

Pursuant to 37 CFR §§1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Supplemental Information Disclosure Statement is being filed along with a Request for Continued Examination (RCE) under 37 C.F.R. §1.114, including the appropriate RCE fee. Thus, no additional fee under §1.97 is required.

Applicant submits herewith copies of foreign and non-patents in accordance with 37 CFR §1.98(a)(2). A copy of a British search report from a related application is attached and cited on the form SB-08. The report cites a Mothercare GB Patent No. 220 848. That number

was discovered to be clearly erroneous. Upon inquiry, the correct GB Mothercare Patent No. 2 220 848 was discovered. Both are in the English language and copies of both are attached.

In accordance with 37 CFR §1.97(g), the filing of this Supplemental Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR §1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Supplemental Information Disclosure Statement is in compliance with 37 CFR §1.98 and the Examiner is respectfully requested to consider the listed references.

Dated: February 13, 2006

Respectfully submitted,

By
